

Clean Up Day "PA Brittany Grounds"

GSP Members helped out the PA Brittany Grounds with there clean up day on Saturday, August 23, 2008. The goal for the day was to take old kitchen cabinets out, replace with new cabinets, repair the existing fence, clear away brush, and clean up brush on the new field trial course. Everyone in attendance, worked hard, had fun, and accomplished many tasks even though it was extremely warm. Many thanks go out to everyone that participated in the clean up. It showed our support as a club, and the PA Brittany club was very appreciative.

Jerry & Kelly on ATV

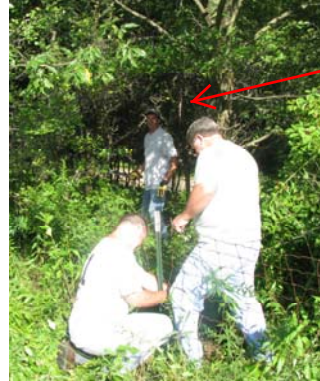

Mark telling Chris to get to work

Mark Hill cutting away

Come' on BOY'S!
Lift and Pull
that fence. It's
not that tough!

Diane & Russ picking up branches

Lift that log Russ & Steve

Way to hot to work!!

Oh NO!! Where do I go now?

So little time - so much to do

Neil Bly & Mark discussing game plan for the day.

Lunch Break!

Chris Young & Mark Hill on a journey to check out new course!
